1. If the bidder is a Micro or Small Enterprise as per latest orders issued by Ministry of MSME, the bidder shall be relaxed from the eligibility criteria of "Experience Criteria" as defined above subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Experience Criteria, shall upload the supporting documents to prove his eligibility for Relaxation.
2. If the bidder is a Micro or Small Enterprise (MSE) as per latest orders issued by Ministry of MSME, the bidder shall be relaxed from the eligibility criteria of "Bidder Turnover" as defined above subject to meeting of quality and technical specifications. If the bidder itself is MSE OEM of the offered products, it would be relaxed from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Turnover, shall upload the supporting documents to prove his eligibility for Relaxation.
3. If the bidder is a DPIIT registered Startup, the bidder shall be relaxed from the the eligibility criteria of "Experience Criteria" as defined above subject to their meeting of quality and technical specifications. The bidder seeking Relaxation from Experience Criteria, shall upload the supporting documents to prove his eligibility for Relaxation.
4. If the bidder is a DPIIT registered Startup, the bidder shall be relaxed from the the eligibility criteria of "Bidder Turnover" as defined above subject to their meeting of quality and technical specifications. If the bidder is DPIIT Registered OEM of the offered products, it would be relaxed from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Turnover shall upload the supporting documents to prove his eligibility for Relaxation.
5. Years of Past Experience required: The bidder must have experience for number of years as indicated above in bid document (ending month of March prior to the bid opening) of providing similar type of services to any Central / State Govt Organization / PSU. Copies of relevant contracts / orders to be uploaded along with bid in support of having provided services during each of the Financial year.
6. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference for services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered service. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band as defined in the relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price. The buyers are advised to refer to the [OM_No.1_4_2021_PPD_dated_18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if the credentials of the service provider are validated on-line in GeM profile as well as validated and approved by the Buyer after evaluation of submitted documents.
7. Past Experience of Similar Services: The bidder must have successfully executed/completed similar Services over the last three years i.e. the current financial year and the last three financial years(ending month of March prior to the bid opening): -

1. Three similar completed services costing not less than the amount equal to 40% (forty percent) of the estimated cost; or
2. Two similar completed services costing not less than the amount equal to 50% (fifty percent) of the estimated cost; or
3. One similar completed service costing not less than the amount equal to 80% (eighty percent) of the estimated cost.

अतिरिक्त योग्यता /आवश्यक डेटा/Additional Qualification/Data Required

The buyer specific specialised activities/ work requirements depending on site/location/building and other relevant conditions / precaution / requirements/details/information essentially considered to be informed to the Service Provider:

1. All bidders are required to visit the institute to inspect the equipment and prepare a detailed inspection report/ submit the site visit certificate, which must be certified by officials of the institute. This inspection report is a mandatory component and must be uploaded with the bid documents on the Government e- Marketplace (GeM) platform. Bids submitted without the accompanying inspection report/ Site Visit Certificate will be summarily rejected. Further, it may be noted here that no visiting charges will be paid to bidder in this regard.

Briefly describe the overall Centralised Air Conditioning system and its intended /expected performance objective to enable the service provider to have clear understanding about the system and buyers specific requirements in addition to the SLA:

1. Bidders are hereby advised that a mandatory site visit is required to assess the existing condition of the Daikin HVAC system before submission of the bid. Bids submitted without undertaking the site visit may be liable for rejection.
2. Bidders shall carefully refer to and comply with the detailed Scope of Work and Terms & Conditions of the contract.
3. It is further informed that in case the selected service provider fails to deliver satisfactory performance during the contract period, the contract is liable to be terminated with the approval of the Competent Authority.

Year of Procurement of major Centralised Air Conditioning system and its components (for VINTAGE): 7 to 9 years

Specific Scope covering requirements/ guidelines of maintenance schedule for effective Maintenance of the each centralised air conditioning system:[1773817025.pdf](#)

Complete system details such as make, model, rating etc regarding the each Centralised Air Conditioning System:[1773817029.pdf](#)

ANNUAL MAINTENANCE SERVICE FOR Centralised Air Conditioning System (1)

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

- Experience Certificate for the supply of the same to any Govt/ PSU/ any renowned private organisation along with Supply/ Purchase Order.
- Generic**

OPTION CLAUSE: The buyer can increase or decrease the contract quantity or contract duration up to 25 percent at the time of issue of the contract. However, once the contract is issued, contract quantity or contract duration can only be increased up to 25 percent. Bidders are bound to accept the revised quantity or duration
- Generic**
 - The Seller shall not assign the Contract in whole or part without obtaining the prior written consent of buyer.
 - The Seller shall not sub-contract the Contract in whole or part to any entity without obtaining the prior written consent of buyer.
 - The Seller shall, notwithstanding the consent and assignment/sub-contract, remain jointly and severally liable and responsible to buyer together with the assignee/ sub-contractor, for and in respect of the due performance of the Contract and the Sellers obligations there under.
- Generic**

Bidder financial standing: The bidder should not be under liquidation, court receivership or similar proceedings, should not be bankrupt. Bidder to upload undertaking to this effect with bid.

5. **Service & Support**

AVAILABILITY OF OFFICE OF SERVICE PROVIDER: An office of the Service Provider must be located in the state of Consignee. DOCUMENTARY EVIDENCE TO BE SUBMITTED.

6. **Service & Support**

Dedicated /toll Free Telephone No. for Service Support : BIDDER/OEM must have Dedicated/toll Free Telephone No. for Service Support.

7. **Service & Support**

Escalation Matrix For Service Support : Bidder/OEM must provide Escalation Matrix of Telephone Numbers for Service Support.

8. **Certificates**

Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

9. **Payment**

PAYMENT OF SALARIES AND WAGES: Service Provider is required to pay Salaries / wages of contracted staff deployed at buyer location first i.e. on their own and then claim payment from Buyer alongwith all statutory documents like, PF, ESIC etc. as well as the bank statement of payment done to staff.

10. **Past Project Experience**

Proof for Past Experience and Project Experience clause: For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria:a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed.b. Execution certificate by client with contract value.c. Any other document in support of contract execution like Third Party Inspection release note, etc.**Proof for Past Experience and Project Experience clause:** For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria:a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed.b. Execution certificate by client with contract value.c. Any other document in support of contract execution like Third Party Inspection release note, etc.

11. **Buyer Added Bid Specific ATC**

Buyer uploaded ATC document [Click here to view the file.](#)

12. **Buyer Added Bid Specific Scope Of Work(SOW)**

Text Clause(s)

- All bidders are required to visit the institute to inspect the system and prepare a detailed inspection report, which must be certified by officials of the Institute. This inspection report is a mandatory component and must be uploaded with the bid documents on the Government e Marketplace (GeM) platform. Bids submitted without accompanying inspection report will be summarily rejected. Further, it may be noted here that no visiting charges will be paid to bidder in this regard.
- Scope of Work for Comprehensive Annual Maintenance Contract of DAIKIN VRV Centralized Air Conditioning System The purpose of this CMC is to ensure uninterrupted, efficient, reliable, and safe operation of the complete HVAC VRV plant. 1. The AMC service provider will have to submit an OEM AUTHORIZED SERVICE PROVIDER valid certificate issued by the OEM company. 2. Also AMC service provider has to compulsorily visit at our ICMR NIRRCH PAREL MUMBAI, inspect the complete system and produce an Inspection certificate along with the submitted documents. 3. AMC service provider sho

uld have a full-fledged professional service centre located within the Mumbai and Navi Mumbai location. Details with address to be provided on documents.

- 1. General Requirements** The Service Provider shall maintain the entire VRV/VRF system under a Full Comprehensive Maintenance Contract, inclusive of all spare parts, consumables, accessories, fittings, modules, software, supporting hardware, power supply adaptors, electrical components, mechanical components, and any other items required for flawless performance of the system. CMC shall include ALL components of Outdoor Units (ODUs), Indoor Units (IDUs), AHUs, cassettes, controls, electrical panel, ducting-related components, pipelines, insulation, and structural supports associated with the VRV system. A mandatory site visit and complete physical inspection of all VRV systems, AHUs, cassettes, electrical panels, ducting, pipelines and accessories must be carried out before taking into CMC. The system shall be taken over AS-IS and handed back at the end of CMC in fully functional condition.
- 2. Breakdown & Routine Maintenance Services** All breakdown calls shall be attended on the same day the call is registered. CMC shall include: Four (4) annual routine services - Three (3) Dry + One (1) Wet Service. Complete preventive maintenance including cleaning of all parts of machine. 24x7x365 round-the-clock service availability including Sundays, public holidays, and festivals. Technical support shall be provided on-site, as well as online / over phone whenever required. Any delay from the Service Provider in attending service or replacing parts shall result in an automatic extension of CMC period for the equivalent number of days, without any additional cost to the Institute.
- 3. Preventive Maintenance Actions (PM)** The following preventive maintenance actions shall be carried out as per standards:-
 - a. Physical Inspection** Checking all auxiliary equipment & components. Inspecting VRV outdoor/indoor units, main control panels, SMPS units, sensors, starters, capacitors, contactors, relays, PCBs, communication wiring, drain system, heat exchangers, and supporting structures. Checking ducting, grilles, diffusers, cassette trays, filters, drain pipes, insulation, and copper lines.
 - b. Performance Testing** Running the system and recording pressure, suction/discharge data, temperatures, refrigerant cycle parameters etc. Checking compressor health, fan speed, inverter modules, and communication signals.
 - c. Reporting & Value-Added Services** Submission of preventive maintenance reports. Recommendations for improvements, modifications, or capacity upgrades.
- 4. Spare Parts - Fully Included in CMC** The following parts must be supplied and replaced under the Comprehensive Maintenance Contract: Compressors, Fan Motors (Indoor & Outdoor), PCBs - Main PCB, Inverter PCB, Display PCB, Communication PCB, All types of PCB, Microprocessor boards, Magnetic switches & Contactors, Sensors, Transformers, All electrical parts & accessories, Plastic important items, Air Filters, Sheet metal parts, coils (Condenser & evaporator), Circuit breakers, Thermocol parts, Wiring, cabling, connectors, terminals, communication cables, Cassette tray, drain pump, drain accessories, Any civil, electrical, structural & welding work related to AC system, Refrigerant gas - charging, leak repair, and complete top-up Nothing is excluded unless specifically listed in writing.
- 5. Refrigerant Gas Handling** Refrigerant gas refilling, leak testing, pressure testing, brazing, nitrogen purging, and vacuuming are fully included in the CMC at no additional cost. Gas leak repairs irrespective of the cause shall be performed.
- 6. Electrical, Panel & Wiring Responsibilities.** CMC includes all work related to: Electrical panels, switchgear, MCC components, Wiring, cabling, earthing, communication wiring, Contactor/relay replacements, Repairing burnt terminals, connectors, fuses, MCBs etc.
- 7. Ducting & Piping Responsibilities** CMC includes: Duct maintenance and minor repairs, Damper repairs/adjustments, Insulation repair/replacements, Copper pipe repair/replacement, Drainage line cleaning and repairs
- 8. Consumables, Tools & Logistics** All consumables required for PM or breakdown repairs (chemicals, cleaning agents, nitrogen, welding rods, insulation material etc.) are included. Transport, freight, custom duty, taxes, octroi, GST, customs clearance charges and any new taxes applicable on imported or indigenous spares are fully borne by the Service Provider. Service ladders, tools, measuring instruments must be arranged by the Service Provider.
- 9. OEM Coordination** The Service Provider must tie up with Daikin OEM for supply of genuine certified spare parts only. All replaced parts must be brand new and not refurbished.
- 10. Training & Technical Assistance** Service Provider shall provide training, consultation, and technical guidance to the end-user team regarding operation, protocols, and basic troubleshooting. Any software analysis or parameter configuration support is included.
- 11. Exclusion - ONLY IF SPECIFIED IN WRITING** No exclusion shall apply unless specifically agreed in the contract. If not listed, the item is considered included under CMC by default.
- 12. Payment Terms** Payment will be released quarterly (every 3 months) after completion of PM and certification of service quality by the in-house Team / Technical Officer and HOD of the end-user department.
- 13. Non-Subcontracting Clause** The Service Provider shall not subcontract the CMC, in whole or in part, to any third party.
- 14. Local Service Setup Requirement** The Service Provider must have a fully equipped service setup within the Mumbai region with trained engineers and technicians.

13. Buyer Added Bid Specific Scope Of Work(SOW)

File Attachment [Click here to view the file.](#)

14. Swachh Bharat Mission(SBM)

Maintenance of Electrical Works

The shift operator shall

1. Take help of trained and certified workers to install, maintain, or repair electrical equipment.
2. Ensure that live-wire work is conducted by trained workers.
3. Keep the minimum approach distances outlined for specific live line voltages.
4. Ensure proper use of special safety equipment and procedures when working near, or on, exposed energized parts of an electrical system.
5. Stay at least 10 feet (3 meters) away from overhead wires during on-site activities.
6. Never operate electrical equipment while you are standing in water.
7. If working in damp locations, inspect electric cords and equipment to ensure that they are in good condition.

Note : Specific work item details shall be prescribed by Authority before seeking proposals on AMC .

15. Swachh Bharat Mission(SBM)

Scoping for AMC of STP

a. The shift operators shall

1. Attend duty in the stipulated time and allotted shift and Operate , Maintain the Plant equipment's (STP) by following the Work Instructions and Safety Guidelines .
2. Check the Raw Sewage Pumps, Sludge Recirculation Pumps, Aerators(fixed/surface), Pre Final Treated Water pumps, Final Treated Water Pumps, Air blower and Electrical panel, Pressure sand filter, tank, etc. for healthiness and record in the daily log book. Record the Flow meter readings.
3. Periodic cleaning of Bar Screen Chamber from accumulation of solid debris flowing towards Equalization Tank.
4. Periodically Collect the Sample of Sewage from the Surface aerator tank and shall be transferred to Imhoff cone for measuring MLSS/MLVSS content and based on the result necessary adjustment shall be carried out for healthy operation of the plant.
5. Prepare Sodium Hypochlorite solution as per the instruction and adjust the flow for disinfecting the treated sewage.
6. Keep the Plant surroundings neat and clean by way of cleaning the spillages, overflows, clogging etc.
7. Check the 'Return Sludge' as applicable.
8. Any other activity required on SOS basis.

Caution : (i) The operator should not enter any confined space without checking the level of oxygen in indoor air.

(ii) Compliance to regulatory norms as prescribed by concern SPCB/PCC is one of the basic condition of Contract and non-negotiable.

b. The Contractor or his technical representative Shall

1. Visit the STP "ONCE IN A WEEK" and shall observe and report the healthiness of the plant to the Client/Site Incharge. He shall put his signature in the attendance register maintained at the plant during each visit to the plant and report to the concerned engineer.
2. He/She shall be responsible for the general administration works for the operators deputed for the work.
3. He/She shall be responsible for preparing and submitting the monthly invoices, entry pass of operators, Sunday and holiday entry passes, Attendance upkeep, coordination with HR department and liason during visit of state government officials for verification of documents.
4. He/She shall be responsible for providing necessary guidelines for the operator regarding safety, health and environmental matters and create general awareness about company disciplines.
5. He/She shall be responsible for all official correspondences with Client/Site Incharge.
6. He/She shall be responsible for any failure of the operators in following the company disciplines and standing orders.
7. Any other activity required on SOS basis.

The contractor shall follow the labour laws in engaging the man power and ensure that the operators are given weekly off also to depute Operator if the Shift Operator / General shift operator is on leave / absent / compensatory off.

16. Swachh Bharat Mission(SBM)

Fixed /Floating Surface Aerator

The shift operators shall

1. Clear the shaft of the motor from any algae or sludge build up, simply by wiping it down.
2. Inspect the system for any damages caused by objects colliding with the aerator such as rocks.
3. Check the electrical cable for any cuts or abrasions and test the voltage.
4. Check that the aerators operation is normal and the motor is not producing any strange noises.
5. Clear the motor housing.
6. Clear the nozzle from any build-up.

17. Swachh Bharat Mission(SBM)

Diffused Air Aeration System

The shift operator shall

1. Check proper operation of the blower.
2. Check proper operation of PLC control and alarms.
3. Check and clean the air intakes on the blower enclosure.
4. Clean the filter on the blower.
5. Determine the level of sludge on the bottom of the clarifier and adjust waste cycle.
6. Check to ensure the air intakes are clear of debris.
7. Check operation of compressor and clean filter.
8. Check the integrity of the air line and sensor fittings in enclosure.
9. Check to ensure aeration is fine and even across tank.

Caution : *The operator should not enter any confined space without checking the level of oxygen in indoor air.*

18. Swachh Bharat Mission(SBM)

Chemical Dosing System for Chlorination

The shift operator shall

1. Check the organic matter component at low level prior to chlorine addition.
2. Check the residual chlorine @ 45 minutes.
3. Check whether the solution is correctly sucked into the injection pump;
4. Regularly check the diaphragm assembly for wear or breakage;
5. Clean the one-way valve and filter regularly.
6. At temperature lower than 0°C, stop using the dosing pump and drain the water in the pump;
7. Do not use tools to adjust pressure. The pressure only can be adjusted when there is no pressure in the dosing pump.
8. Regularly check the liquid level in the chemical storage tank to prevent the metering pump from running without load.
9. Check whether the bolts of the pump head of the metering pump are tight and whether the seals are intact at least once every three months.

19. Swachh Bharat Mission(SBM)

Primary and Secondary Clarifiers with scraping mechanism

The shift operator shall

1. Check for the condensate accumulation in scraper drive and remove it frequently.
2. Lubricate primary and secondary reducers and the main gear and bearing on regular basis.
3. Check all oil levels weekly and should also drain and replace the main gear oil every 6 months.
4. Check to ensure that the torque control is functioning properly.
5. Lubricate all types of primary and secondary reducers, bearings and seals on regular basis and replace when necessary.

20. Swachh Bharat Mission(SBM)

Sludge Pump

The shift operator shall

1. Check for leaks in the pump's exterior.
2. Inspect the power cable for any damage.
3. Listen if there are any strange noises or vibrations.
4. Make sure the pump is properly ventilated.
5. Keep the pump and nearby area clean to avoid debris.
6. Inspect shaft pump alignment.
7. Check the wear rings.
8. Check the bearings' temperature.
9. Perform a complete disassembly and inspection of the pump.
10. Replace worn or damaged parts.
11. Check if the pump's operation is proper.
12. Inspect the impeller.

Caution : *The operator should not enter Sludge Pump House checking the level of oxygen in indoor air.*

21. **Swachh Bharat Mission(SBM)**

Maintenance of Civil Works

The shift operator shall

1. Identify the defects or damages occurring in the structure and rectify and repair the damaged structure.
2. Check the leakage in the treatment tanks & repair if any detected.
3. Repair any developed cracks in the STP.
4. If there are any waterlogging around the STP, remove it immediately.
5. Check any Dampness problem due to rain in walls, especially near electrical fittings.
6. Vegetation should be removed to stop its further growth.

Note : *Specific work item details shall be prescribed by Authority before seeking proposals on AMC .*

22. **Swachh Bharat Mission(SBM)**

Maintenance of Fire Extinguisher

The shift operators shall

1. Maintain the record of checking and certification of all fire extinguishers.
2. Maintain the fire extinguisher at the proper location installed for the purpose.
3. Organise training to aware the use of fire extinguisher.
4. Organise a mock drill for fire extinguisher.
5. Replace/Refill the chemicals 15 days before expiry date

अस्वीकरण/Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.

7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.
12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.
15. Any ATC clause in contravention with GeM GTC Clause 4 (xiii)(h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
16. Buyer added ATC Clauses which are in contravention of clauses defined by buyer in system generated bid template as indicated above in the Bid Details section, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by GeM GTC.
17. In a category based bid, adding additional items, through buyer added additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogs or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and**
- **All operative provisions of the erstwhile Labour Laws until their complete substitution.**

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

This Bid is governed by the [सामान्य नियम और शर्तें/General Terms and Conditions](#), conditions stipulated in Bid and [Service Level Agreement](#) specific to this Service as provided in the Marketplace. However in case if any condition specified in सामान्य नियम और शर्तें/General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement, then it will over ride the conditions in the General Terms and Conditions.

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में

भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

---धन्यवाद/Thank You---
